Your rent check is due on the 1st of each month. Please mail your rent check, payable to Rent Tampa Today, to the address above. You may schedule your payment to arrive prior to the 1st to ensure it's not late. We will hold it until the 1st for deposit.

You may also pay rent through the tenant portal located on our website. Simply hit the "tenant login" button in the upper right corner and use your email address as your login. Your temporary password is 1234. You can change this upon your first login. Unless you must pay by credit/debit, be sure to change the option at the top to check/bank so you do not get charged a \$40 convenience fee.

If there is anything we can do to make your lease term more enjoyable, please don't hesitate to ask! We strive for complete tenant satisfaction.
